

# Infection Prevention Station

Preventing infection is as easy as...

## PERFORM HAND HYGIENE

**1** Before eating, touching eyes, nose, or mouth, and after coughing, sneezing, or touching contaminated items.

## COVER YOUR COUGH

**2** Use a tissue to cover your mouth when coughing or sneezing then perform hand hygiene.

## CLEAN COMMON AREAS

**3** Clean surfaces and disinfect common use items with surface disinfecting wipes.

**With your help we can maintain a clean environment and prevent the spread of infection!**
