

MADE IN THE USA

Product Description:

- Transmission Based Precautions Quick Reference Card - Horizontal
- Provides a quick reference to the HICPAC/CDC guidelines for precautions required for frequently isolated organisms
- 25 cards per pack
- Index card attaches to name badge holder
- PVC Plastic

Primary Area for Product Usage:

- Worn by healthcare staff with their badges in patient care areas

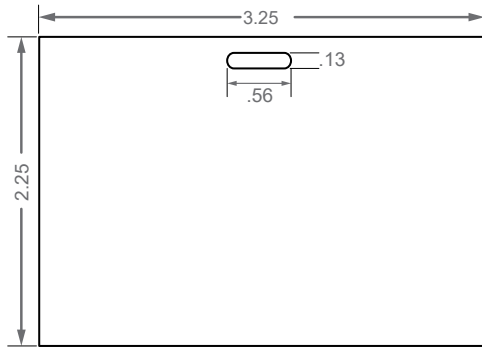

Package Specifications:

- Package Quantity: 25 per case
- 10"L x 6"W x 4"H (25.4 cm x 15.2 cm x 10.2 cm)
- 2.0 lbs (0.9 kg) - approximated

Product Specifications (overall external dimensions):

- 3.38"W x 2.13"H x 0.06"D (8.6 cm x 5.4 cm x 0.2 cm)
- 0.01 lbs (0.1 kg) - approximated

Mounting Specifications:

Care and Construction

PVC Plastic

Material Characteristics

Designed for Long-Term, Heavy-Duty Applications

Polyvinyl Chloride (PVC) is one of the most commonly used thermoplastic polymers in the world. It is flexible, yet dense and resistant to deformation. It has a high tensile strength and resists chemicals and alkalis.

Related Products (each sold separately):

- RG-008 - Quick Reference Card - Vertical (shown below)

Care and Cleaning

Use mild soap and water to clean. Petroleum-based oils, solvents, and paints should not be used.

Standard hospital cleaning supplies are approved for use on our PVC plastic products.
