

Choose the right stethoscope to help you perform at your best.

3M™ Littmann® Stethoscopes feature adjustable headsets with soft-sealing eartips. Select Littmann stethoscopes are designed with tunable technology to give you the ability to hear different frequency sounds by simply adjusting the pressure applied to the chestpiece. Get the reliable acoustic performance, high quality and comfort you need with a Littmann stethoscope.

	Lightweight II S.E. Stethoscope	Classic II Pediatric and Infant Stethoscopes	Master Classic II™ Stethoscope	Classic III™ Monitoring Stethoscope	Cardiology IV™ Diagnostic Stethoscope	Master Cardiology™ Stethoscope	Electronic Stethoscope Model 3200	CORE Digital Stethoscope
	Ideal for taking blood pressure readings and making limited patient assessments.	Hard-working, dependable, clinical tools for physical assessment and monitoring of your patients, one long shift after another.			Provides outstanding acoustic sensitivity to help you perform detailed diagnostic auscultation. Useful in challenging and critical care environments.		High-performance auscultation. Hear more with amplification, noise reduction and optional connectivity.
