Build A Room by BOWMAN

BuildARoomByBowman.com

plan, design, execute

From taking a photo of the area you want to outfit with dispensers, to arranging them according to your needs, you are in complete control of the whole process.

Build A Room is NEW and exclusive to BOWMAN Dispensers:

- Visually plan out your workflow, organization and storage needs
- See firsthand how dispensers will fit in your space
- Arrange, align, and rearrange until you have the perfect placement
- Try out multiple combinations with no commitment to purchase
- Print and download your final layout
- Saved PDF includes a list of your chosen dispensers for reference

bring your vision to life

Build A Room shows you the end result in just a few clicks with a camera and a mouse. Create, save and output an image of your ideal room, like the one shown at right.

Create your ideal working environment in just a few easy steps at BuildARoomByBowman.com:

Choose the consumable(s) and room(s) that need organization.

Tape an 8 1/2" x 11" piece of paper to the wall and take a photo straight on of the room.

Select your room type in Build A Room and upload your photo.

Arrange the yellow square to fill your paper in the photo.

Drag and drop dispensers into your space.

Save your design then print or send your layout to your planning team.

Success is in the details

Integrate PPE Dispensing Solutions into the project planning phase to save space, improve aesthetics and reduce code violations.

value adds FOR EVERY PROJECT

- Recessed, Interior Cabinet, Custom & Stock PPE Dispensing Solutions
- Material options for any budget
- Finish options for any interior
- All products offer best functionality and quality aesthetics
- Strong materials withstand heavy use & hospital grade cleaning products

BOWMAN®
Dispensers
Organize • Contain • Comply

Proudly made in the USA

BOWMAN Dispensers is a specialized design and development business creating personal protective equipment (PPE) dispensing solutions. Once a healthcare dominated industry, PPE dispensing devices have expanded in application to most commercial markets such as industrial, food service, education and beyond. We are at the forefront of innovative dispenser design across all industries.

Since 1988, with customer collaboration, BOWMAN now offers over 200 unique items in our product line. As a privately held company, our owners are involved in the business every day. BOWMAN is proud to serve as your industry advocate, partnering with you to create safe, organized and efficient work environments.
