Semi-Recessed Protection Systems are a smart choice for high traffic areas, such as hallways or near elevators. Our in-wall solutions avoid wall protrusion rule concerns while keeping necessities organized and at hand.

FEATURING:

- ADA compliance benefit; once installed protrusion is approximately 1 1/4"
- Simplifies supply location standardization
- Visible access to supplies improves PPE donning compliance and restocking
- Universally sized to hold most major brands of PPE consumables
- Improves HCAHPS scores with a sleek, organized, and aesthetically pleasing design
- One in-wall well, adjustable shelves, and interchangeable doors
- Additional layouts and custom designs available
- Made in the USA out of Quartz Beige Powder-Coated Steel

BOWMAN Dispensers is a specialized design and development business creating personal protective equipment (PPE) dispensing solutions. Once a healthcare dominated industry, PPE dispensing devices have expanded in application to most commercial markets such as industrial, food service, education and beyond. We are at the forefront of innovative dispenser design across all industries. All dimensions listed are assembled parts.

Ask your distributor for BOWMAN products.

Since 1988, with customer collaboration, BOWMAN now offers over 200 unique items in our product line. As a privately held company, our owners are involved in the business every day. BOWMAN is proud to serve as your industry advocate, partnering with you to create safe, organized and efficient work environments.

Ask your distributor for us by name. Accept no imitations. There's only one genuine BOWMAN.
