

# Find The Right Fit

BOWMAN isolation dispensing solutions for your unique healthcare environment

## WALL MOUNT

### Protection Systems

- Great for areas where hallway space constraints apply
- Mounts permanently or temporarily
- PPE is always visible and accessible allowing for blood and body fluid protection response
- Quickly converts to an isolation station with optional clip-on Sign Holder and our [FREE](#) printable isolation signs
- Shown: [PS016-0233](#)
- Watch our video [HERE](#)

## OVER THE DOOR

### Protection Systems

- Convert to an Over The Door Solution by adding a hanger to any Protection System
- Easy to implement—just hang and use
- Effective for traditional doors, automatic closure doors, glass doors and glass walls
- Quick, cost effective solution, particularly during an outbreak
- Shown: [BD615-0012](#)
- Watch our video [HERE](#)

## SEMI-RECESSED

### Protection Systems

- Patented design exclusively from BOWMAN
- ADA compliance benefit, once installed protrusion is approximately 1 1/4"
- Great for high traffic areas such as hallways or near elevators
- Adaptable to future configuration changes by offering adjustable shelving and interchangeable doors
- Shown: [RE101-0012](#)
- Watch our video [HERE](#)

## MOBILE

### Protection Systems

- Adapts easily for alternate supplies used in burn units, sterile areas, and USP <800> areas
- No drawers and no bending, ergonomic design is easy on your back
- Large storage capacity with easy visibility and instant access to PPE
- Immediate access to restock, ensuring an efficient workflow
- Donning order indicators—an industry first
- Shown: [CT030-0000](#), [MP-047](#)
