Frontal Apron

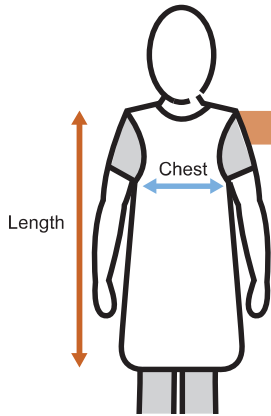

Sizing Your Frontal Apron

Lengths are measured from the sternal notch to the bottom hem (recommended apron length: top of knees)

Chest Widths are measured side-to-side at a point just below the armholes
Size Charts available online

Length*	Height
32"	5'3"-5'5"
34"	5'5"-5'8"
36"	5'8"-5'11"
38"	5'11"-6'2"

*Charged by inch for added length or width. Measure from sternal notch to 1" above knee
