Insight® Phlebotomy Cart

ML138760E

The Phlebotomy Cart Designed Around You

With the Insight line, Marketlab has delivered a supportive, responsive line of phlebotomy carts with intentionally designed features. These carts organize supplies intuitively to support the higher workloads of on-site phlebotomists.

Features

- Lightweight design is easy and comfortable to maneuver
- 5" medical-grade casters are durable and move easily and quietly
- Three tilt bins provide quick and easy access to key supplies
- Two built-in glove box holders offer easy access to PPE
- Choose all drawers or a mix of drawers and bulk storage area
- Integrated lip on worksurface prevents items like collection tubes from rolling off
- Modular rail system allows easy height adjustment of accessories
- Key or electronic lock to secure supplies
- Easily clean with soap and water or hospital-grade cleaner
- 1-year limited warranty
